II. FILMS PROGRAMMED IN ACID CANNES 2020

Article 7 – SHIPPING

Back and forth shipping and customs costs are at the expense of rights holder. No fees will be paid for the screenings in Cannes

Article 8 – SCREENING MATERIAL

Films will be screened in Cannes in DCP.

Foreign films are to be screened in Cannes in their original version with French and English subtitles. Subtitling is at the producer's expense.

Article 9 – RERUNS AND FESTIVALS

The selected films will be screened for the *ACID Cannes Rerun* in Paris, Marseille, Lyon, Tanger, Belgrade, Porto and Lisbon.

The producers, distributors and sellers are required to make the prints available free of charge for all ACID reruns.

When the films selected in the *ACID Cannes 2020 Programme* are being released, ACID's mission is to promote and support them in movie theatres and festivals in France and abroad.

Festivals that select, in partnership with ACID, films from the *ACID Cannes 2020 Programme* should then benefit of privileged screening fees.

If the film has no sales agent yet, the producer the producer must commit to apply these rules with the future sales agent.

Article 10 – PROMOTION MATERIAL

The *ACID Cannes* official spot must be printed on every DCP, 35mm, DVD, VOD in Cannes and at the release of the film.

The *ACID Cannes* logo must appear on all the promotional documents in Cannes and at the release of the film.

Article 11 – ASSOCIATION

ACID is an association of filmmakers. Filmmakers whose films are programmed in Cannes become members of the association. In that regard, they must pay their membership and get involved in the life of the association.

Article 12 – RULES AND REGULATIONS

Participation in the *ACID Cannes 2020* Programme implies acceptance of the foregoing rules and regulations.

Not observing these regulations (by filmmakers or rights holders) can lead to the withdrawal of the support of ACID.
